**BUREAU OF CONSTRUCTION CODES**

**GENERAL RULES**

(By authority conferred on the construction code commission by section 4 of Act No. 230 of the Public Acts of 1972, as amended, being S125.1504 of the Michigan Compiled Laws)

**PART 2. PERMITS, INSPECTIONS, AND FEES**

**R 408.30201 Plan review service.**

Rule 201. (1) Where a township, village, city, or county is enforcing the state construction code, it may provide its own plan review service or may send the plans to the commission for review for code compliance. When plans are submitted to the commission, the enforcing agency shall indicate prior review and approval of local zoning and environmental controls which may include, without limitation, zoning district, fire district, floodplain, air and water pollution, noise and soil erosion.

(2) When the commission is the enforcing agency, the municipality in whose area a structure is to be built shall forward the necessary plans, specifications and application to the commission for processing. Plans submitted for review shall indicate prior approval of local zoning and environment controls as stated in subrule (1).

(3) Where a township, village or city is enforcing another nationally recognized model construction code, it shall be responsible for providing plan review services.
