PART 3. REGISTRATION

R 338.3921 Training standards for identifying victims of human trafficking; requirements.

Rule 21. (1) Under section 16148 of the code, MCL 333.16148, the individual seeking registration or who is registered shall have completed training in identifying victims of human trafficking that satisfies all the following:

(a) Training content must cover all the following:

(i) Understanding the types and venues of human trafficking in this state or the United States.

(ii) Identifying victims of human trafficking in healthcare settings.

(iii) Identifying the warning signs of human trafficking in healthcare settings for adults and minors.

(iv) Identifying resources for reporting the suspected victims of human trafficking.

(b) Acceptable providers or methods of training include any of the following:

(i) Training offered by a nationally recognized or state-recognized, health-related organization.

(ii) Training offered by, or in conjunction with, a state or federal agency.

(iii) Training obtained in an educational program that has been approved by the department for initial registration, or by a college or university.

(iv) Reading an article related to the identification of victims of human trafficking that satisfies the requirements of subdivision (a) of this subrule and is published in a peer-review journal, healthcare journal, or professional or scientific journal.

(c) Acceptable modalities of training include any of the following:

(i) Teleconference or webinar.

(ii) Online presentation.

(iii) Live presentation.

(iv) Printed or electronic media.

(2) The department may select and audit a sample of individuals and request documentation of proof of completion of training. If audited by the department, the individual shall provide an acceptable proof of completion of training, including either of the following:

(a) Proof of completion certificate issued by the training provider that includes the date, provider name, name of training, and individual's name.

(b) A self-certification statement by the individual. The certification statement must include the individual's name and 1 of the following:

(i) For training completed under subrule (1)(b)(i) to (iii) of this rule, the date, training provider name, and name of training.

(ii) For training completed under subrule (1)(b)(iv) of this rule, the title of article, author, publication name of the peer-review journal, healthcare journal, or professional or scientific journal, and the date, volume, and issue of publication, as applicable.

(3) Under section 16148 of the code, MCL 333.16148, the requirements specified in subrule (1) of this rule apply for registration renewals beginning with the 2017 renewal cycle and for initial registrations issued after March 17, 2021.

History: 2020 AACCS; 2023 MR 6, Eff. March 23, 2023.

R 338.3923 Examination; adoption.

Rule 23. The department approves and adopts the registered environmental health specialist/registered sanitarian examination developed by NEHA. The passing score for the registered environmental health specialist/registered sanitarian examination is the passing score established by NEHA.

History: 2020 AACCS.

R 338.3925 Registration; requirements.

Rule 25. (1) An applicant for a sanitarian registration shall satisfy the requirements of the code and the rules promulgated under the code, as well as all the following requirements:

(a) Provide the required fee and a completed application on a form provided by the department.

(b) Provide proof, as directed by the department, verifying completion of 1 of the following:

(i) The requirements of R 338.3913(1)(a). No proof of prior work experience is required.

(ii) The requirements of R 338.3913(1)(b) and verification from the applicant's employer that the applicant has completed 4,000 hours in planning, developing, or implementing systems to improve the quality of air, water, food, or other environmental factors that affect the health of the public.

(iii) The requirements of R 338.3913(1)(c), subject to the following requirements:

(A) If the credential evaluation required under R 338.3913(3) determines that the applicant's educational credentials are substantially equivalent to R 338.3913(1)(a), no proof of prior work experience is required.

(B) If the credential evaluation required under R 338.3913(3) determines that the applicant's educational credentials are substantially equivalent to R 338.3913(1)(b), verification is required from the applicant's employer that the applicant has completed 4,000 hours in planning, developing, or implementing systems to improve the quality of air, water, food, or other environmental factors that affect the health of the public.

(c) Provide proof, as directed by the department, verifying a passing score on the examination adopted under R 338.3923.

(2) If an applicant for a sanitarian registration provides proof, as directed by the department, that the applicant is a current holder in good standing of the REHS/RS credential, then it is presumed that the applicant satisfies the requirements of subrule (1)(b) and (c) of this rule.

History: 2020 AACCS; 2023 MR 6, Eff. March 23, 2023.

R 338.3927 Registration by endorsement.

Rule 27. (1) An applicant for a sanitarian registration by endorsement shall satisfy the requirements of the code and the rules promulgated under the code, as well as all the following requirements:

(a) Provide the required fee and a completed application on a form provided by the department.

(b) Provide proof, as directed by the department, verifying a current and full sanitarian license or registration in another state.

(c) Provide proof, as directed by the department, verifying that the applicant completed the educational requirements in the United States for licensure or registration as a sanitarian in the United States.

(d) Provide proof, as directed by the department, verifying a passing score on the examination adopted under R 338.3923.

(2) If an applicant for a sanitarian registration provides proof, as directed by the department, that the applicant is a current holder in good standing of the REHS/RS credential, then it is presumed that the applicant satisfies the requirements of subrule (1)(c) and (d) of this rule.

(3) An applicant that is or has been licensed, registered, or certified in a health profession or specialty by another state, the United States military, the federal government, or another country shall disclose that fact on the application form. The applicant shall satisfy the requirements of section 16174(2) of the code, MCL 333.16174, including verification from the issuing entity showing that disciplinary proceedings are not pending against the applicant and sanctions are not in force at the time of application. If registration is granted and it is determined that sanctions have been imposed, the department may impose appropriate sanctions under section 16174(5) of the code, MCL 333.16174.
